

# Year 5

## Spring Term

### It's all Greek to me

This term we will explore the Ancient Greeks and their society. The children will learn about the changes and impact that the Greeks had on the world. In Geography, we will compare ancient Greece to modern Greece and look at the characteristics of the country. We will dive into Athens and take a look around the city online. We will have a workshop where the children will experience being in ancient Greek polis. In Science, we will investigate making new substances and forces that oppose motion.

#### Useful Websites

Facts about Ancient Greece for kids | National Geographic Kids ([natgeokids.com](https://www.natgeokids.com))

Ancient Greece - KS2 History - BBC Bitesize

Facts about Ancient Greece for Kids ([primaryhomeworkhelp.co.uk](https://primaryhomeworkhelp.co.uk))

History: Ancient Greece for Kids ([ducksters.com](https://www.ducksters.com))

Greece - History for kids ([historyforkids.net](https://www.historyforkids.net))

#### Suggested Reading

Readers looking for KS2 Ancient Greece chapter books will enjoy solving the enticing mystery of Mark of the Cyclops, written especially to immerse young readers in daily life in Ancient Greece. For something with a bit more fantasy and mythology involved, Who Let the Gods Out is a laugh-out-loud chapter book in which a modern boy ends up on a whirlwind adventure with a group of larger-than-life Greek gods and goddesses. We also recommend The Orchard Book of Greek Myths for a simple and illustrated compendium of Greek mythology, and The Ancient Olympic Games for a quality non-fiction text all about the history of the Greek Olympics.

#### Suggested Experiences

Go to a Greek restaurant  
Watch some videos of the Olympics

Watch Percy Jackson  
Dress up as a Greek citizen  
Visit the British Museum

## Maths

Fractions, decimals, percentages
