COLLECTIVE WORSHIP

This week in collective worship we have started the academic year thinking about new beginnings and our school family.

We looked at a description of the beginning of a new world from the Magician's Nephew and then thought about what a new world would need – vision, values and rules.

We looked at our own school family and how good school would be if we all lived by our vision and values and kept to the school rules.

In celebration worship we celebrated children who have worked hard and shown our school values.
