COLLECTIVE WORSHIP

This week in collective worship we looked at the story of Moses from the bible and learnt about 'God's House' the tent where people went to worship God.

We also learnt about the special objects in the tent and thought about why they were there. We then related this to places where we may worship and what special objects there would be there.

In celebration worship we thought about what we had done well this week and worked on self-affirmation (telling ourselves that we have done well). We then celebrated some of the children who have shown our school values with certificates.

Two classes also shared their answers to the big question 'Who has helped you in your journey of life so far?'
