COLLECTIVE WORSHIP

This week in Collective Worship we finished the story of Moses, ready to start Advent next week.

We recapped on the story from the Bible and then shared how the story ended with Joshua taking over after Moses died.

We looked at the part of the story where God told Joshua to choose twelve men to pick a stone and make a pile of them on the bank of the River Jordan. He said these stones were to help them to remember what had happened to them. We related this to the things that we would like to remember forever.

In Celebration Worship we celebrated with certificates some of the children who have kept to the school values.
