COLLECTIVE WORSHIP

This week in Collective Worship, we looked at Advent and lit the first candle on our advent wreath. We learnt that Advent is from the Latin word *ventus* which means arrival and that Christians celebrate it because it is a time when they are waiting for the arrival of Christmas, the coming of Jesus.

We learnt that the candles on the wreath represent hope, peace, love and joy and the fifth candle represents the birth of Jesus. We then explored why the birth of Jesus is so important to Christians.

In Celebration Worship, we gave certificates to some of the children who showed our values during the week and some who showed good learning behaviours.
