### COLLECTIVE WORSHIP

#### WISE WORDS

This week in Collective Worship we continued with the theme of 'Wise Words'. We looked at the next line on the journey to success: 'we are considerate, caring and polite' and explored what that would look like in school.

We then looked at Proverbs 17:14 *'The start of an argument is like a leak in a dam—so stop it before it bursts'*. We looked at the word **argument** and how it has 'me' in the centre of it. We realised that often arguments get out of hand when people only think of themselves (putting 'me' at the centre). We looked at how a small hole in a dam can be dangerous and how we must work to repair it as soon as possible.

In celebration worship we recognised children who have been working hard and showing our school values.

### HEADTEACHER'S AWARDS

#### CONGRATULATIONS TO:

Adam L in Morpurgo for trying really hard in all areas of his learning and demonstrating our values in and out of the classroom.

James C in Fleming for showing great resilience in his learning, always taking on board next steps and challenging himself, in order to make excellent progress.

Layla G in Luther King for her resilience and courage when faced with challenges.

Emily B in Columbus for her perseverance and desire to always be the very best she can be. This week it culminated in writing a fantastic persuasive letter in English.
