## COLLECTIVE WORSHIP

### WISE WORDS

This week we ended our term of 'wise words' with Proverbs 20:11, 'We show what we are like by what we do'. We explored what this would look like and the idea that the way we act towards others is very important.

We then used objects inside 11 plastic eggs to reveal the Easter story. The objects included strips of linen cloth, three nails, a crown of thorns and Roman soldiers. The children then watched a video showing the events of the Easter story, starting at Palm Sunday and ending on Easter Sunday.

Each class has been working really hard on their performance to show the Easter story and we hope that parents, carers and family members will be able to attend to see their children taking part.
