COLLECTIVE WORSHIP

GOING FOR GOLD

This week in collective worship the children learnt the story of Pentecost (Acts 1: 1-21). We then looked at the Olympic value of Courage, recognising it is one of our school values too.

The children learnt about the 1948 Olympics, held in London. There was an athlete, Karoly Takacs, who injured his right hand so badly that he could no longer use it. He then retrained in his sport to use his left hand. He won the Olympic gold. He showed great determination to overcome a problem.

The children then reflected on how to solve a problem, including to keep on trying, think positively, have a go and work together.
