COLLECTIVE WORSHIP	HEADTEACHER'S AWARDS
<p><b>GOING FOR GOLD</b></p> <p>In Worship this week we thought about how we can ensure we spend time outside and in nature. We thought about the question: 'How can we spend more time in the world that God created'. Children were challenged to spend less time in virtual worlds on computer and TV screens and more time outside.</p> <p>We then looked at the ideal of the modern Olympics, that it is about participation and not winning. Children learnt about an athlete from Somalia. She was one of only two athletes to represent Somalia in the 2008 Olympic games. She lost her race, but said she was proud to represent her country and fly the flag.</p> <p>She gained a lot of respect from those who saw her run. Hebrews 12:1-2 (NIV) states <i>'let us run with perseverance'</i>.</p>	<p><b>CONGRATULATIONS TO</b></p> <p>Ken C in Rosen for designing and creating an excellent Ancient Egyptian museum box.</p> <p>Nugen L in Hawking for being a determined and focussed learner who always goes for gold in everything that he does! Well done Nugen. Keep it up!</p> <p>Charlotte W in Mandela for absolutely brilliant work in maths – you showed supreme confidence in multiplying by two digit numbers. It was wonderful to see your pride in the progress that you had made. Keep it up Charlotte!</p> <p>Jenson R in Attenborough for being an absolute legend all year! He works incredibly hard, supports others and has made fantastic progress. Well done and thank you, Jenson!</p>
