Victoria L in Curie for demonstrating our school values at all times especially when supporting others in class and at playtimes.

COLLECTIVE WORSHIP

This week in Collective Worship we have learnt more about the journey of Moses from the Bible. We learnt that when Moses went up the mountain to receive the 10 commandments from God he was there for 40 days. We explored how those left behind would have felt and what they did whilst they were waiting for Moses.

We then explored why people gather together to worship and what the value of this is.

We celebrated children who worked hard this week, demonstrating our values of courage, resilience and respect and those who followed the Journey to Success.
