5 tips to keep kids safe on WhatsApp

1

[Review privacy settings](#) WhatsApp has a range of privacy and security settings to keep users safe. Customise groups, app access, live location and more.

2

[Customise contacts](#) Show your child how to report and block unwanted contacts. Then, work with them to add their friends and family. Review and talk about their contacts regularly.

3

[Talk about personal information](#) Make sure your child understands what personal information is. Talk about the importance of keeping that information private on WhatsApp.

4

[Show them where to get support](#) If something goes wrong or they see something worrying on WhatsApp, make sure they know to come to you, and talk about other sources of support.

5

[Check in regularly](#) Once you've done all of the above, check in with them regularly to review settings and how they use WhatsApp.
