

Year 6

Summer Term It's a Wonderful World

This term we are going to explore the legacy left by those that came before us and how this affects us today. By revisiting previous topics, we will investigate the impact that these legacies had on our modern world. We will also take a closer look at important people, whose contribution still affects our lives today. From here, we will look to the future, investigating the lasting impact that **our** generation will have on the planet and our responsibility to protect it. We will consider issues like climate change and what we can do to protect our world for future generations.

Useful Websites

- BBC Bitesize—Climate Change
- WWF Climate Change
- BBC Bitesize KS2 History
- NASA Climate Kids
- National Geographic Kids
- Kiddle—kids' version of Google

Suggested Reading

- The Unforgettable Coat—Frank Cottrell Boyce
- No One Is Too Small to Make a Difference by Greta Thunberg
- Climate Crisis for Beginners—Reynolds & Prentice
- Wonder—R J Palacio
- Holes—Louis Sachar

Suggested Experiences

- Watch BBC Blue Planet
- Investigate Roman games
- Create an extreme weather warning or report
- Use junk modelling to design an eco-friendly home
- BBC Bitesize—The Circulatory System— watch the videos and play the games

Maths

Number and Place Value
Calculations
Fractions, decimals and percentages
Geometry—shape and co-ordinates
Measures and statistics

English

- Narratives—Holes and short film Alma
- Non-chronological report—The Unforgettable Coat
- Poetry
- Persuasive speech—Macbeth

Science: Circulation

RE: Leadership

PSHE: Relationships, Changing Me and RSE

Art: Climate Project—Sculpture

Computing: 3D modelling and sensing movement

DT: Textiles

Geography: Climate Change and Extreme Weather

History: Legacy—linked to previous learning and famous people

Spanish: Weather, school, transport and holidays

Music: Summer Production—Singing

PE: Rounders, Quidditch, Athletics and Tag Rugby

How I can help at home
